3. **PURCHASE ORDER PROCESS**

- 3.1 Any quotations or data provided by the Supplier in response to an enquiry from the Customer shall be indicative only, and shall not form a contract or any part of a contract. No such quotations or data shall be binding on the Supplier unless and until they are embodied in a Purchase Order which has been accepted by the Supplier

- 3.5 A PO shall be treated as an offer by the Customer to contract with the Supplier, but shall not be binding on the Customer or the Supplier unless and until accepted by the Supplier

in accordance with condition 3.7. In the event of an increase in the Prices pursuant to condition 7.2 after the date of a PO, the Supplier may request the Customer to reconfirm the PO at the relevant new price. The Supplier may, at its sole discretion, accept amendments to a PO after acceptance.

- 3.6 The Supplier shall apply a Sales Order Number to each PO received from the Customer and inform the Customer of the Sales Order Number as soon as reasonably practicable. Each party shall use the Sales Order Number to identify each PO from the time at which the Sales Order Number is known to it.
- 3.7 The Supplier may, at its discretion, accept the PO using a Sales Order Number and the issuance of such Sales Order Number shall be treated as acceptance of the Customer's PO, subject always to the principle stated in condition 2.2. The Supplier shall not be required to maintain stocks of the Products, and shall exercise its discretion in the light of the stocks which it may actually have available, or which can reasonably be manufactured for delivery within the relevant time period, having regard also to the requirements of other customers, if any. 4. **SPECIFICATION OF THE PRODUCTS**

- 4.1 The Supplier warrants that all Products sold by the Supplier to the Customer will conform in all material respects to the Specification, subject to such modifications of the Specification (if any) as may have been agreed between the Supplier and the Customer (the **Warranty**). All other warranties or conditions (whether express or implied) as to quality, condition, description, compliance with sample or fitness for purpose (whether statutory or otherwise) other than those expressly set out in these Terms and Conditions are excluded to the fullest extent permitted by law.
- 4.2 Subject to the other provisions of this condition 4, and to those of condition 17 (Limitation of Liability), the Customer shall be entitled to reject any quantity of the Products which do not comply with the Warranty, provided that any purported rejection is made no later than seven days from the date of delivery in accordance with condition 5.5.

- 4.3 The Supplier is not obliged to agree to any change requested by the Customer to the Specification or to the Products. An agreement to change the specification is only valid if it is in writing from the Supplier.

5. DELIVERY OF THE PRODUCTS

- 5.1 Delivery of the Products shall take place at the Delivery Point. Acceptance of any change to the Delivery Point requested by the Customer shall be at the Supplier's sole discretion and the Customer shall be liable for any additional Expenses incurred by the Supplier as a result of such change. Depending on the applicable Delivery Terms, the Supplier shall arrange for suitable transport (where applicable) to the Delivery Point, and on delivery, the Supplier (or its appointed carrier) shall (where applicable) provide the Customer with such export documents as are necessary and which the Customer is unable to prepare, together with a Delivery Note.
- 5.2 In the event that any Products shall not be collected from the Delivery Point by or on behalf of the Customer within seven days after their arrival at the Delivery Point, the Supplier may, at its option, either (a) arrange for the transport of those Products to the Supplier's premises, or (b) store those Products until collected by the Customer, in either case at the risk and cost of the Customer, which shall promptly pay any related costs upon receiving an invoice for them from the Supplier.
- 5.3 Delivery or performance dates in relation to the supply by the Supplier of Products are approximate only and, unless otherwise expressly stated, time is not of the essence for delivery of the Products.
- 5.4 The Supplier may effect delivery in one or more instalments.
- 5.5 In the event that the Customer alleges that the Products delivered do not comply with the Warranty by reason of a defect which was apparent on reasonable inspection, The Customer shall, within seven days of the arrival of each delivery of the Products at the Delivery Point, give written notice of rejection to the Supplier.
- 5.6 If the Customer fails to give notice as specified in condition 5.5 then, except in respect of any defect which is not one which would be apparent on reasonable inspection, the Products shall conclusively be presumed to comply with the Warranty and, accordingly, the Customer shall be deemed to have accepted the delivery of the Products in question and the Supplier shall have no liability to the Customer with respect to that delivery (except in relation to liability for any latent defects).
- 5.7 A notice given under condition 5.5 shall include a detailed description of the alleged defect in the Products, the number of the relevant Order and the part number of the relevant

Product. Upon receiving those details, the Supplier shall issue a return material authorisation number ("RMA number"), which shall be valid for 30 days.

- 5.8 Upon receiving an RMA number, the Customer shall, if so requested by the Supplier, return the relevant Products (unaltered and unrepaired) to the Supplier, carriage and other Expenses paid, for inspection by the Supplier as soon as possible and at the Customer's own risk and expense, accompanied by the relevant RMA number. The issuance of an RMA number and the receipt by the Supplier of any returned Products shall be without prejudice to the Supplier's determination of whether or not the relevant Products comply with the Warranty.
- 5.9 If the Customer rejects any delivery of the Products on the grounds that they do not comply with the Warranty, and the Supplier accepting such non-compliance, the Supplier shall at its option either:
- 5.9.1 supply replacement Products which comply with the Warranty; or
 - 5.9.2 repair the Products to bring them into compliance with the Warranty and redeliver them to the Customer; or
 - 5.9.3 notify the Customer that it is unable to supply replacement Products, in which case the Supplier shall grant to the Customer a credit equal to the price of the Products which the Supplier agrees do not comply with the Warranty (**Credit**).
- 5.10 The liability of the Supplier in respect of any rejected Products shall be limited to complying with condition 5.9, and if the Supplier shall perform any of the options stated in that condition, the Supplier shall be deemed not to be in breach of the contract and to have no further liability to the Customer.
- 5.11 The Supplier's reasonable decision as to whether the Products comply with the Warranty shall be final.

6. **IMPORT AND EXPORT LICENCES**

The Customer is responsible for obtaining, at its own cost, such import and export licences and other consents in relation to the Products as are required from time to time and, if required by the Supplier, the Customer shall make those licences and consents available to the Supplier prior to the relevant shipment.

7. **PRICES AND PAYMENT**

- 7.1 The Customer shall pay the Supplier for the Products in accordance with the provisions of this condition 7.
- 7.2 The prices for the Products shall be the Prices as stated in the relevant Order Confirmation. Subject to conditions 7.3 and 7.4, the price applicable to each Purchase

Order shall be the latest version of the Prices for the Products that has been notified to the Customer at the time of or prior to the date of a relevant Order Confirmation.

- 7.3 All price quotations given by the Supplier are based on the assumptions that the full quantity of Products referred to in the quotation will be purchased by the Customer, and that purchases of Products by the Customer will continue for the full period (if any) referred to in the quotation. If either of these assumptions is not met, the Supplier reserves the right to vary the Prices accordingly by notice to the Customer.
- 7.4 In the event that, no earlier than one month after the issue of an Order Confirmation by the Supplier, the Supplier shall notify the Customer that its costs of manufacturing the Products comprised in the relevant Purchase Order have increased since the date of the Order Confirmation by reason of an increase in the cost at which the Supplier can reasonably obtain any one or more raw materials or components required for the manufacture of those Products, and shall provide reasonable documentary evidence for that increase, then the price stated in the relevant Order Confirmation shall be increased by such amount as is reasonable to take account of the relevant increase in the price of raw materials or components.
- 7.5 The Supplier shall invoice the Customer for the Net Selling Price of all POs Shipped, and all related Expenses.
- 7.6 The Customer shall pay to the Supplier the total amount of each Invoice in pounds sterling, or in such other currency (if any) as may be specified in the relevant Order Confirmation, by telegraphic transfer to the Supplier's nominated bank account within 30 days after the date of the relevant Invoice, notwithstanding that delivery may not have taken place and that property in the Products has not passed to the Customer.
- 7.7 All amounts of money referred to in these Terms and Conditions shall be interpreted as being amounts exclusive of value added tax, any similar sales tax or any tax that replaces such sales taxes. Any such tax payable in relation to any such amounts shall be paid in addition to those amounts. If the Customer is required under any applicable law to withhold or deduct any amount from the payments due to the Supplier, the Customer shall increase the sum it pays to the Supplier by the amount necessary to leave the Supplier with an amount equal to the sum it would have received if no such withholdings or deductions had been made.
- 7.8 All amounts payable to the Supplier shall become due immediately if the relevant contract is terminated in accordance with these Terms and Conditions despite any other provision.
- 7.9 The time for payment shall be of the essence and no payment shall be deemed to have been made until the Supplier has received payment in cleared funds.

- 7.10 If the Customer does not make payment on or before the date on which it is due, interest shall be payable on the overdue amount at the rate which is two per cent above the Bank of England base rate from time to time. Interest shall be payable at this rate both before and after any judgment is made against the Customer until the date on which payment in cleared funds is received in full, including all accrued interest.
- 7.11 The Customer shall make all payments due without any deduction by way of set-off, counterclaim, discount or otherwise unless expressly agreed by the Supplier.

8. TITLE AND RISK

- 8.1 Risk in and responsibility for the Products shall pass to the Customer once they have been delivered to the Delivery Point.
- 8.2 Subject to condition 8.4, ownership of the Products shall not pass to the Customer until the Supplier has received payment in full of all monies owed by the Customer to the Supplier.
- 8.3 Until ownership of the Products passes to the Customer, the Customer shall hold the Products on the following terms:
- 8.3.1 the Products shall be stored separately from other goods held by the Customer and shall be clearly identifiable as the property of the Supplier;

The Customer shall not mix the insurance proceeds with any other money or pay the proceeds into an overdrawn bank account. The Customer shall account to the Supplier for the proceeds accordingly and make good any shortfall in the amount due to the Supplier.
- 8.4 The Customer may resell (but may not deal in any other way with) the Products to a third party and pass good title to that third party on the following terms:

The Customer shall account to the Supplier for the proceeds accordingly and shall make good any shortfall in the amount due to the Supplier.

- 8.5 The Customer shall lose its rights to possession if:
- 8.5.1 the Customer becomes subject to any of the events in condition 13.1.2 to condition 13.1.5; or

- 8.6 The Customer grants to the Supplier an irrevocable licence for the Supplier, its agents and employees to enter any premises where the goods of the Customer are stored to ascertain whether any Products are stored there and to inspect, count and recover them.
- 8.7 The Customer shall register any necessary charge over money or goods and take such other steps as are necessary to give effect to this condition 8 at the request of the Supplier.

9. **CHANGES**

- 9.1 The Supplier may, immediately on giving written notice to the Customer elect to alter the Specification of any of the Products, provided that the alteration does not materially adversely affect the performance, quality or value of the Products; or to include any modified version of the Products, additional goods or replacements for the Products.
- 9.2 Where the Customer has placed a Purchase Order and the Supplier has accepted that Purchase Order using an Order Confirmation, and the Specification of any of the Products contained in that Purchase Order is varied in accordance with condition 9.1, the Customer may cancel the part of the Purchase Order that relates to the varied Products only.
- 9.3 Where the Customer has placed a Purchase Order and the Supplier has accepted that Purchase Order using an Order Confirmation, and any of the Products contained in that Purchase Order are modified or replaced in accordance with condition 9.1, the Purchase Order shall automatically be varied to reflect such modification or replacement.
